**The Table** lies at the heart of the Ó Flatharta home. Crafted from the felled tree of their ancestors, down through the generations the family have rested cradles upon it, children played underneath it, adults rejoiced at it and goodbyes were said over it. A trick is played, a deal is made, a family is changed forever. The Table that brought them together now stands between them. Written by Christian O'Reilly and directed by Marc Mac Lochlainn, The Table is performed by an ensemble cast.

Tá **An bord** suite i gcroílár teaghlach Ó Flatharta. Lámhdhéanta as crann a muintir, seachadadh ar aghaidh ó ghlúin go glúin, leag an chlann cliabhán air, d'imir páistí faoi, cheiliúir daoine fásta aige agus dúradh slán air. Imritear cleas, déantar beart, athraítear teaghlach go deo. Tá an bord a thug le chéile iad ag seasamh eatarthu anois. Scríofa ag Christian O'Reilly agus stiúrtha ag Marc Mac Lochlainn, tá The Table á léiriú ag clár ensemble.
