abbeytheatre.ie

Align your business with more than 120 years of artistic excellence and cultural leadership at the National Theatre of Ireland.

Corporate Partnerships

Through bespoke corporate partnerships tailored around key projects,

Corporate Membership

Through corporate membership levels that unlock benefits while supporting all our work.

Partner with us to create unforgettable experiences for your clients and showcase your brand at the heart of Ireland's National Theatre.

“Our partnership with the Abbey Theatre reflects our belief in the arts as a vital part of a thriving society. Our support of Ireland's national theatre, reflects ESB's belief in investment in the arts to strengthen communities, foster innovation and preserve Ireland's rich cultural heritage for future generations.”

Your Corporate Partnership can make a direct impact in four key areas

01. Productions

By supporting a production, you place your brand at the centre of Ireland's cultural life gaining access to a diverse audiences, aligning with creativity and innovation, and demonstrating your commitment to Ireland's global cultural leadership.

02. Schools

Partner with us to bring theatre into classrooms helping students build essential skills in confident communication, leadership, teamwork, and creative thinking while exploring real-world issues through interactive workshops that shape resilient, engaged citizens.

03. Artists

Partner with us to nurture Ireland's next generation of theatre artists and be a part of elevating our international reputation for innovation, creativity, and cultural leadership.

04. Communities

Connecting Ireland's diverse communities with theatre and each other, fostering empathy through transformative projects locally and nationally.

“Emma provided an ideal opportunity for An Post to collaborate with The Abbey. The Abbey proved to be an outstanding partner—creative, collaborative, and deeply engaged from the very beginning. Working together we added a little surprise, fun element to the audience’s evening, in the spirit of Jane Austen, reminding them of the joy of sending a personal message to someone special, and to encourage them to keep #SendingLove.”
